Dear Mr. Sarchian:

Best wishes for your attempt to break the Guinness Book of World Records boxing heavybag record. Your tireless pursuit of this goal is truly inspiring to many people.

I applaud your effort to break the record as well as your dedication to raising awareness about testicular cancer. Through your efforts and the outstanding dedication of the Lance Armstrong Foundation, more people will understand the importance of prevention and treatment of cancer in men.

Congratulations on your effort, and good luck with the heavybag.

Sincerely,
